Aloha mai kākou!

Ka 'Umeke Kā'eo is happy to announce that we will once again be offering bus service in the mornings and afternoons. If you would like bus service for your keiki, please complete the Bus Registration Form and return it to the ke'ena. Once your Registration Form is received and reviewed, you will be called by phone to confirm when your child can start riding the bus.

We are offering pick-up and drop-off at two locations, Shipman Park in Kea'au and Pana'ewa. It is **CRITICAL** that you be at the designated bus stop on time for your pick up. If your keiki are not at the designated bus stop on time, the bus will leave and you will have to bring your keiki to school. Also, if you or an authorized person is not at the bus stop to pick up your child, he/she will return to the Hale Lamalama campus and you will need to pick them up.

The rules of the bus have also been included in this packet. Please go over the rules with your child. If your keiki does not comply with the rules, he/she may be dismissed from the bus and it will be your responsibility to provide transportation for your keiki.

Please be advised that parents **ARE NOT** to step on the bus at any time. If you need to communicate with your child, please do so prior to their getting on the bus or when they disembark. If there are any problems on the bus or at the bus stop, please call administration at 808-961-0470.

Please understand that this service is being provided by Ka 'Umeke Kā'eo and **NOT** the Department of Education. It is a costly service, but one that we offer as a kōkua to our 'ohana. We are doing our best to continue bus service while ensuring that students are safe and that we can keep on time. Unfortunately, there may be times when unforeseen circumstances prevent us from providing bus service. We will do everything we can to prevent and limit these situations, but by your understanding should these situations occur would be appreciated.

We are so happy to introduce our bus driver, 'Anakē Jodi Pereira. You may recognize her as she has been driving school buses for over 20 years. 'Anakē Jodi was raised in Keaukaha and is now living with her 'ohana in Ka'ūmana. We are so happy that she has joined us here at Ka 'Umeke.
